FINITURE / FINITIONS

FINISHINGS

The kitchen communicates visually with the space around it and connects with us through our sense of touch. This is why our main focus has always been on the materials we use to craft and finish our kitchens. View all the materials in the vast Armony collection.

La cucina comunica visivamente con lo spazio che la circonda e si relaziona con noi attraverso il tatto, per questo abbiamo sempre dato priorità ai materiali con cui realizzare e rifinire le nostre cucine. Scopri tutti i materiali della vasta collezione Armony.

La cuisine communique visuellement avec l'espace environnant et dialogue avec nous à travers le toucher, d'où la priorité que nous avons toujours donnée aux matériaux utilisés pour la réalisation et la finition de nos cuisines. Découvrez tous les matériaux de la collection Armony.
